

One Degree Annual Improvement Indicators

*Self-esteem and ability + positive future (resilience, confidence and well-being) are as a result of One Degree (according to students).

*Grades are percentage of passing grades per cohort.

*Predicted grades indicate a combination of One Degree baseline testing, mock results, teacher assessments and predicted grades vs GCSE results.

*GCSE results are valid for students who attended the minimum amount of sessions for One Degree to have an impact and who made use of both in-person and online resources (when relevant).
